

Reflexology Level 1

Day Course
6th March to 27th March 2012
Tuesday, Wednesday & Thursday
1pm to 4pm

Reflexology is a science based on the theory that there are reflex areas on the feet, hands and ears, which relate to all the organs, glands and bodily parts. Reflexology is a unique method of using the thumb and fingers on these reflex areas. This unit teaches students how to competently perform a Reflexology session.

At the end of training students will be able to :-

- Explain the basic concepts of Reflexology.
- Identify and manipulate the reflex points of the feet.
- Demonstrate the application of Reflexology to a creditable level.
- Develop and apply professional skills associated to therapeutic treatment.
- Explain contra-indications to Reflexology treatments.
- Perform a full Reflexology treatment.
