DEFERING, SUSPENDING OR CANCELLING A STUDENT'S ENROLMENT

A student is enrolled for the period for which the tuition fees have been paid. Massage Schools of Queensland allows students to suspend, cancel or defer their studies only under very limited circumstances which are beyond the control of the student but will impact on their progress.

These will include but not be limited to:

- Serious illness or injury where a medical certificate states that the student was unable to attend classes
- Death of a close family member (Parent or Grandparent)
- A serious traumatic incident supported by police and/or psychologist's report

Students must apply in writing for a suspension of their course by filling out an "Application for Change or Defer Course Form" or "Application for Withdrawal & Request for Release Letter" from reception.

Each case will be assessed on its individual merit and documentary evidence must be provided to support the claim. After considering the evidence provided and the student's circumstances a decision will be made by the Head of School.

If the student exits the course at any time prior to the qualification completion, they will not receive a formal testamur. A statement will be created for partial completion.

WITHDRAWAL

A student who wishes to discontinue their studies is free to do so, but there is no obligation on the part of Massage Schools of Queensland to reinstate any student who has withdrawn. A student who has withdrawn may reapply at a later date, subject to any relevant immigration restrictions that may apply. Any such re-application will be considered through the normal application processes.

Students must apply in writing for a withdrawal of their course by filling out an "Application for Withdrawal & Request for Release Letter" from reception.

SUSPENSION AND CANCELLATION INITIATED BY MSQ

A student may have his or her enrolment suspended or cancelled as a result of academic misconduct or misbehaviour by the student in breach of the Code of Conduct.

The student will be informed of Massage Schools of Queensland's intention to suspend or cancel and notify the student that he or she has 20 working days to access the internal complaints and appeals process.

If a student accesses the internal complaints and appeals process the suspension or cancellation will not take effect until the internal process is completed, unless extenuating circumstances relating to the welfare of the student apply. If the student does access the policy, DIBP will be advised.

TRANSFERRING TO ANOTHER COURSE AT MSQ

Occasionally students commence a course then decide that they would prefer to study an alternative course at MSQ. In this instance, students should make an appointment to talk to the Head of School to

RTO No: 2875
CRICOS No: 01854A

Massage Schools of Queensland

discuss their options. There is a process that needs to be undertaken including the completion of “Application for Change or Defer Course Form”. When a decision has been made, the Head of School will advise the student in writing of the outcome and new COE’s will be created if approved. Students should be aware that changes of this kind could affect a Student Visa.

TRANSFERRING BETWEEN REGISTERED PROVIDERS

Massage Schools of Queensland will not knowingly enrol a student wishing to transfer from another provider within the first 6 months of the student’s principal course except under the following conditions:

- the original registered provider has ceased to be registered or a course in which the student is enrolled has ceased to be registered
- the original registered provider has provided a written letter of release
- the original registered provider has had sanctions imposed on its registration by the Australian Government or state or territory government that prevents the student from continuing his or her principal course or,
- any government sponsor of the student considers the change to be in the student’s best interest and has provided written support for the change.

Release of Students prior to completing the first six months

The National Code 2018 requires providers to assess requests from students for a transfer to another registered provider if the students have not completed six months of their principal course of study.

A principal course is the final course of study a student will undertake. For example, if a student is studying ELICOS followed by a Diploma programme then a Bachelor degree, the Bachelor degree is the principal course.

A student wishing to transfer must fill out an “Application for Withdrawal & Request for Release Form” and submit it to the Head of School. MSQ will consider all such requests for transfer fairly and take into consideration the individual circumstances of each student in order to ascertain whether the transfer would be advantageous or detrimental to the student.

MSQ consider the following circumstances as reasonable grounds to decline a student

- There is no Letter of Offer from another provider
- The transfer could jeopardise the student’s progress if the student is enrolled in a package –i.e.: Certificate IV and a Diploma.
- The student’s account is not up to date for the current period of the study
- The student is trying to avoid being reported to DHA for failure to meet the provider’s attendance or academic progress requirements.

A decision will be made by the Head of School within 10 working days of the request. The student will be informed of the decision in writing.

Students who have studied longer than this period of 6 months are free to transfer to another provider.

Where a student approaches Massage Schools of Queensland for enrolment from another provider the decision to offer a place will be based on the following criteria.

RTO No: 2875
CRICOS No: 01854A

Massage Schools of Queensland

Handbook for International Students

- students demonstrated commitment to previous studies
- good attendance record
- course fees have been paid in full
- A Letter of Release has been received from the previous provider.

MONITORING PROGRESS TO ACHIEVE COMPLETION WITHIN THE VISA PERIOD

Massage Schools of Queensland (MSQ) must monitor, record and assess the course progress of each student for the course in which the student is currently enrolled and has chosen to implement the Department of Education and Training (DET) and DHA approved Course Progress Policy and Procedure. A copy of this policy is available from the International Education Online site <https://internationaleducation.gov.au/>

Massage Schools of Queensland expects students to progress with minimum interruption towards completion of their course. Students must attend the scheduled courses for the duration of the course including clinic hours. Students, who are absent for more than 2 consecutive days, must provide a medical certificate.

Massage Schools of Queensland closely monitors each student's progress through regular progress checks. Subject trainers conduct theory assessments at the end of each subject. A senior lecturer will conduct practical assessments throughout the course. Students who do not gain competency will be given the opportunity to re-sit the non-competent elements within 2 weeks.

Massage Schools of Queensland will not extend the duration of the students study beyond the specified CoE except under the following circumstances:

- Compassionate or compelling circumstances where a verified illness has prevented the student attending the academy for a significant length of time, or if MSQ is not able to offer the student a part of their training.
- An intervention strategy was implemented for a student at risk of not completing some part of their training.
- An approved deferment or suspension of study has been granted.

If a student is failing academically

Where, as a result of the monitoring process a student has been identified as not gaining 50% competence in a subject after two opportunities to re-sit non competencies, a letter will be issued to the student with a meeting time with the Head of School to discuss an intervention program as the student will then be unlikely to complete their course in the required time.

Following initial discussion and review of the student's attendance and participation, an Intervention Strategy may be implemented. Strategies are individually determined to meet the need of the student, and could include:

- a learning support program
- additional English language support
- additional tutoring or learning activities for theory subjects
- advice regarding study habits (e.g. maintaining required attendance)
- advising students on the suitability of the course in which they are enrolled

RTO No: 2875
CRICOS No: 01854A

Massage Schools of Queensland

Handbook for International Students

- advising of opportunities for the students to be reassessed for tasks in units or subjects they had previously failed, or demonstrate the necessary competency in areas in which they had not been previously able to demonstrate competency

If progress is still not satisfactory – the student has again failed the next subject after being given the opportunity to re-sit non-competent sections, the Head of School will advise the student in writing that they have failed to reach the required standard and that notification will be sent to the Secretary of the Department of Education and Training via PRISM.

The student will have 20 working days to access the appeals process. Enrolment will be maintained during this process and students may still be able to attend class (at the discretion of the Head of School).

PRIOR TRAINING RECONGNITION (RPL)

Skills Recognition / Credit Transfer / Mutual Recognition

Massage Schools of Queensland supports the national policy of mutual recognition of qualifications and Statements of Attainment issued by other Registered Training Organisations (RTO), regardless of the location, provided that the RTO is registered to offer that qualification and all criteria covered is in-line with ours as content can vary.

An application can be made for any of the above when the student believes that they have already attained the necessary skills and competencies elsewhere (work or other study etc.). The student will be required to provide documentation to support an application.

NOTE: A challenge test and/or submission of relevant assignment/s may be required if deemed necessary by the Head of School.

ASSESSMENT POLICY

Students are required to attend all assessments, if you cannot attend an assessment, you must immediately:

- Notify the Course Coordinator – by phone at least 24 hours prior to the assessment due date, and then support your reason by evidence in writing e.g. if ill, provide a medical certificate, if special circumstance, provide a letter detailing the circumstances.
- Arrange a time (within two weeks) with the Course Coordinator to sit your theory assessment.
- Arrange a time (within two weeks) with either the Course Coordinator and/or the trainer/assessor to sit your practical assessment. This will incur a \$50 fee for the trainer's time.
- Students who fail to complete an assessment after 1 calendar month will be deemed “not competent” and will be required to re-enrol in the course of study and pay the full course tuition fee.

Assessment is competency based and in accordance with the National Assessment Principle incorporating the standards of the Australian Quality Training Framework. Assessment is designed to determine whether the student can demonstrate the target competencies at each stage of training. Students who are unable to demonstrate competency at a given time or who successfully appeal assessment results will be re-trained before being reassessed at a later date.

The Unit 'First Aid' is delivered and assessed through another Registered Training Organisation 'Accredited Training Company'.

How will I be assessed?

All assessment is set out in the overview to each competency or competencies which are provided to the student at the commencement of each course. Once this assessment has been successfully completed, the student will receive a result which will count towards their qualification.

Assessment methods include

- Practical Demonstration/Observation – the completion of a specified task or set of procedures normally performed under close supervision, using a detailed checklist.
- Oral questioning – a response is provided to a series of questions presented in order to demonstrate understanding of principles or reasoning behind the action taken.
- Theory Assessments – a written response item consisting of a question/s with answers of a single word, a few words, a sentence, or paragraph.
- Assignments - a research project to gain deeper understanding of a subject.

When will I be assessed?

- Assessments will occur at the end of each subject.
- At the completion of Certificate IV, a practical and oral assessment will be conducted by a senior member of staff to judge overall competency.
- During the Diploma studies, students will be assessed at several stages by the Head of School to assess competency levels, including a final assessment prior to awarding a qualification.

NOTE: Final assessments will not be undertaken if re-sits and/or fees are outstanding.

RESULTS

Assessments will be marked "competent" or "not yet competent." Units of competency results will be recorded for the student. At the completion of the course or individual units, a Transcript / Qualification will be issued. If the student does not complete the course the student will be eligible for a transcript of results for any units of competency achieved.

ISSUING QUALIFICATIONS

Qualifications will be issued after successful completion of the Unit of study / Certificate or Diploma course. Certificates are issued in accordance with the Australian Qualifications Framework and will be awarded at the Graduation Ceremony at the end of the semester.

SPECIAL CONSIDERATION

Massage Schools of Queensland is fully focused on the students gaining competency. If a student considers that their performance in an assessment may be affected by any special circumstance, or they feel that they were disadvantaged when the assessment was conducted then they may request special consideration. These may include but not be limited to: accident, bereavement, compassionate circumstances illness, disability personal injury, language or literacy difficulties. The student will be granted one or more of the following options: have an extension of time, provided with another assessment or be given an oral rather than a written assessment.

COMPLAINTS AND APPEALS

Students are encouraged initially to attempt to resolve a complaint informally by talking directly with the person concerned to resolve the problem. If the issue is not resolved the student may access the Internal Complaints and Appeals Procedure at no cost to the student.

During all stages of the Complaints Procedure, MSQ will take all steps to ensure that the complainant and the respondent will not be victimised or discriminated against.

DEFINITIONS

- Academic Appeals: An appeal against an academic assessment within the school.
- Grievance: A grievance is a concern about a situation, a process, a person or people, a facility or a service provided by MSQ which the student brings to the attention of the School in an informal way, i.e. it is spoken about, not written down.
- Complaints: A formal complaint takes place if a grievance cannot be resolved informally and is written down for official processing. Complaints may include but are not limited to operational, administrative, discrimination and harassment issues. Examples of these could include sexual harassment, racial or sexual discrimination, physical or verbal abuse.
- Appeal: If a student is dissatisfied with a decision made by MSQ, he/she has 20 working days from the date stated within the written notification in which to lodge an appeal to have the case reviewed. This includes decisions relating to complaints outcomes and assessment appeals, as well as notifications of unsatisfactory academic progress, unsatisfactory attendance, misbehaviour, refusals of transfer applications, and/or pending cancellation of enrolment.
- External Appeals: If students are not satisfied with the results of an internal process, MSQ can offer an independent external arbiter to hear appeals. The purpose of the external appeals process is to consider whether the provider has followed its policies and procedures – it is not to make a decision in place of the institution. The student may access and receive the outcome of only one external appeals process before the MSQ may report the student.

PROCEDURE

If a student wants to initiate a formal complaint as a result of an unresolved grievance they need to request a Complaint Report Form from administration and fill out the details of the complaint. This form is submitted to the Head of School for consideration.

The complaint resolution process will commence within 10 working days and all reasonable measures will be taken to finalise the process as soon as practical. The Head of School will investigate the

complaint and interview any persons associated with the grievance to gain a full understanding of the issues in order to make a considered decision. Both the complainant and the respondent may be accompanied by a third party if so desired at these interviews.

The Head of School will provide a written decision to the complainant within 10 working days outlining the reasons for the decision and the complainants right to appeal the decision and the name and contact number of the person they can appeal to if they are not satisfied with the decision.

If a student is dissatisfied with a decision made by the Head of School in regard to a complaint they can appeal that decision within 20 days.

The student's enrolment will continue while this issue is resolved.

If the appeal cannot be resolved internally, then it can be referred to an external agency. MSQ allows for one external appeal to be heard and completed before notification to DHA. Students are advised that they are solely responsible for the fees that they may incur with an external mediator.

External bodies include:

- | | |
|--|--------------|
| ▪ Mediation centres of the Justice Department. | 1800 017 288 |
| ▪ Anti-Discrimination Commission | 1300 130 670 |
| ▪ Office of Fair Trading Qld | 13 74 68 |

After completion of the internal appeals process the student is may contact the Overseas Student Ombudsman if they have any concerns regarding the school. Students may also contact the Registering Body – Australian Skills Quality Authority on 1300 701.

If the appeal is against the provider's decision to either:

- defer or suspend a student's enrolment due to misbehaviour
- to cancel the student's enrolment

MSQ will await the outcome of the internal appeals process (supporting MSQ's decision) before notifying DET through PRISMS of the change to the student's enrolment.

Once DHA has been notified of a deferment, suspension or cancellation of a student's enrolment, the student has 28 days in which to:

- leave Australia
- show the Department of Home Affairs (DHA) a new Confirmation of Enrolment (CoE) or
- provide DHA with evidence that he or she has accessed an external appeals process.

If the internal or any external complaint handling or appeal process results in a decision that supports the student, MSQ will immediately implement any decision and/or corrective and preventative actions required and advise the student of the outcome.

If a student takes the complaint or appeal to the external process, the student will be informed promptly of the decision reached by the external body.

The complaints and appeals process does not remove the right of the student to take action under Australia's consumer protection laws.

CRITICAL INCIDENT POLICY AND PROCEDURE

National Code Standard 6.4

PURPOSE

In accordance with the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018 Standard 6.8:

This policy details the procedure for dealing with a critical incident including: reporting, approach, action, support, media, counselling services, training, evaluation and follow-up, review and return to normality.

What is a critical incident?

The National Code defines a critical incident as 'a traumatic event, or the threat of such (within or outside Australia), which causes extreme stress, fear or injury.'

- 'Critical incidents' can include the following:
- death, serious injury or serious threat of these;
- death of a student;
- missing student;
- attempted suicide;
- serious injury or health problem which prevents the student continuing with or completing the course;
- mental health episode requiring hospitalisation;
- natural disaster;
- student arrested or detained;
- assault, including sexual assault, domestic violence or robbery, severe verbal or psychological aggression;
- drug or alcohol abuse; and
- other serious events. .

ACTIONS TO BE TAKEN WHEN CRITICAL INCIDENT OCCURS

- If a Critical Incident has or is occurring the first response staff member should take action to:
 - secure the safety of staff and students and themselves
 - then contact the emergency services (if fire, police or ambulance is required)
 - then contact the Head of School on 0412 720 091 and
 - finally contact the Critical Incident Team (if Critical Incident Team members are not in attendance at college, contacted them on their emergency numbers)
- The Critical Incident Team will meet and assess the incident with regard first response actions and risk to the safety of all staff, students and others.
- If an associated risk is still active they will action a strategy to implement further measures which may include identifying emergency response requirements and further action to ensure staff, students and others are removed from harm's way

RTO No: 2875
CRICOS No: 01854A

Massage Schools of Queensland

Handbook for International Students

- A member of the Critical Incident Team will contact emergency services (fire, police, ambulance) and relevant external bodies if necessary
- The Critical Incident Team will determine the arrangements for informing staff, students and stakeholders of the incident.
- Media response will be dealt with by the Head of School, as such; staff is not to provide any comments to media in regard a critical incident
- If trauma was experienced by individuals, a session will be organised with our Counsellor.

Example of Detailed Actions

In the unfortunate situation that a student dies and MSQ has been advised by Police of the incident:

1. The Police in consultation with the Head of School would contact the student's parents or next of kin and advise of the situation – will an interpreter be required?
2. The Police may require an official identification of the deceased and so this may involve the use of a staff member who has known the student
3. The Police may also interview staff as part of investigations
4. MSQ will contact the relevant Consulate/Embassy (as they often provide support such as travel for the family).
5. Decide on what assistance we may provide to family, i.e. arranging funeral, death notices, attendance from family members, crisis support referral to counselling services, refund student fees, legal assistance, accommodation and student personal belongings
6. Contacting the Department of Home Affairs (DHA) with details
7. The incident would need to be recorded in the students file and in the Critical Incident Report including: time/date of death, how incident occurred and location and noting who was involved
8. The regulatory authorities would be notified as soon as practicable after the incident, this may include updating PRISMS
9. Design a formal bulletin to staff and other students
10. Send a condolence letter to family
11. A formal debriefing session with staff and students and have our counsellor in attendance

EFFECTS OF CRITICAL INCIDENTS

The human body has a plethora of ways it deals with critical incidents, we must be aware of some of these effects so that we are able to identify them in ourselves and others and hopefully manage them to avoid a further crisis.

- Some of the effects:
 - Loss of appetite
 - Insomnia
 - Anger
 - Aggression
 - Exhaustion
 - Denial
 - Masking the event
 - Changes in libido
 - Forgetfulness
 - Diarrhea

- Lack of interest in everything
- Emotional at the drop of a hat

AFTER THE EVENT

When the risk has passed, the first response staff member will complete the Critical Incident Report. When the risk has passed, the Head of School will convene a meeting with the Critical Incident Team and finalise the Critical Incident Report.

The Head of School will notify DHA as soon as possible after the incident. This may include reporting via PRISMS.

The Critical Incident Team will review the incident and evaluate the response and actions for closeout and lessons learned.

If changes are required to policies, procedures, these will be made via documenting on the critical incident report form and actioning a corrective action.

PRIVACY AND CONFIDENTIALITY

We will not disclose student's personal information without their formal approval as outlined in the Privacy Act. The only exception to this rule is when the information may reduce or prevent a serious or imminent threat to the student's life, health or safety.

Completion of Clinic Hours

Students are required to complete all nominated clinic hours prior to the completion date of their course. Students may apply for an extension only where extenuating circumstances can be proven.

▪ **Booking Cancellation**

Any cancellations have to be advised to management staff more than 1 week in advance so that MSQ can find another student to cover the clinic hours unless exceptions. See below.

For cancellation less than 1 week before an appointment, you must find another student who can cover your clinic booking/s and let MSQ know who will be in charge of the booking/s.

If you DO NOT comply with MSQ policy, there will be consequences:

- MSQ no longer has a responsibility of your student clinic hours
- MSQ will not find clients for you again
- You must find and bring your own clients to MSQ to complete your student clinic hours

When you find clients, let MSQ know the date/s and the time/s. Administration will check the availability of clinic rooms and put your name on a clinic book then.

Don't forget to tell clients the cost of the clinic, please refer to current price list and to bring two towels.
